**Tony:** Peter what do you mean 'Not again'?!

**Peter:** Sorry, no time to talk, people need saving.

**Peter:** I'm like the rabbit.

**Tony:** Peter I'm so concerned about you

**Peter:** I mean... same.

# Peter is Very Soft

**Peter:** It's June which means that it's Pride month, which means that anyone who misgenders me or uses the wrong pronouns owes me \$50. Sorry I don't make the rules, that's just how things be.

**MJ:** It's Pride month which means anyone who misgenders Peter not only has to pay him but also I get to punch them in the face.

**MJ:** The second part isn't limited to June, I'll punch anyone who misgenders you at any time.

**Peter:** mj no

**Ned:** MJ yes

## **I don't go looking for trouble**

**Tony** : Why is it, whenever something happens, it's always you three?

**Peter** : Believe me, Mr. Stark, I've been asking myself that for years.

# **No one's going to arrest Captain America**

**Bucky:** Has anyone seen Steve?

**Clint:** *Nat*

**Sam:** Isn't there some kind of rally going on that started like just over an hour ago?

**Peter:** haha kind of hard not to worry considering I'm 85% anxiety

**Peter:** I mean what I'm totally fine

**Tony:** kid you're going to be the death of me

**Bucky:** I don't really want to ask this, but...

**Bucky:** What exactly did Steve do to get arrested?

**Peter:** Oh we were punching Nazi's at a rally

**Peter:** Apparently the police don't approve of that

**Peter:** Well okay technically Mr. America was punching people. I was mostly throwing eggs

**Peter:** Also that reminds me, we might be out of eggs in the tower

**Bucky:** I'll add it to the list

**Clint:** Why eggs?

**Natasha:** it's more embarrassing than punching them

anyways I still cry over the "if you need me I'll be there"

# **Tony, Steve, and Bucky have their first conversation post-Civil War**

**Tony:** So the rouges came home for Christmas and Natasha and Rhodey locked us in a room together. We were just eating Triscuits in silence and I was staring at the floor and I was like, “Well, here goes nothing. ‘You ever seen a ghost?’”

And Bucky said, “Yes.” Which is the best answer.

He looked at Steve and said, “Your mom and I never told you this, but your house, when you were growing up, was haunted.”

I said, “Say more right now!”

He said, “Outside Steve’s room, I used to see the ghost of a little girl in a Victorian nightgown and then she would walk down the hallway and then she would evaporate.”

And then Steve said, “Let’s change the subject!”

And I think he was just doing that old man thing of, like, “This is a weird topic and I want to talk about a book I read about the Cold War.” But the way it came off was that he definitely killed that little girl.

“Let’s change the subject! Why are we even talking about Penelope... or whatever her name was? I didn’t kill her! Whoever did kill her only did it to protect her from this world.”

## **You think Peter would learn to stop making jokes around Tony**

**Peter, jokingly:** Hey Mr. Stark can you get rid of daylight savings time? Having to adjust to time change is super homophobic

**Tony, completely serious:** Sure kid I'll get right on it

## No context, Only gay

**MJ:** *texting Peter*

**MJ:** gay

**MJ:** that was @ you btw

## How old is this guy?

**Peter:** Hey can we wrap this fight up some time soon? It's getting kind of late.

**Villain:** Why, have someplace to be?

**Peter:** No it's just I have a paper due tomorrow morning and I haven't even started it and at this rate I'm going to be up all night writing it but I really can't afford to fail this class

**Villain, surprised:** Wait, are you... are you in college?

**Peter, using the surprise to his advantage to land a few good hits:** High school, actually.

**Villain, completely freezing:** *You're a child?!?!*

**Peter, cheerfully as he webs them up:** Technically I'm a teenager!

**Villain:**

**Peter:** Yeah I know, it's the same thing to all you old people.

**Peter:** Anyways thanks for letting me wrap this up. My teacher would kill me if I wound up turning in *another* late assignment this semester.

**Villain, watching Peter swing away:** What the Fuck-

# Avengers As John Mulaney Quotes

**Sam, about Bucky:** He was a man most acquainted with misery.

---

**Tony:** None of us really know our fathers

---

**Peter:** *about his general life trauma* Now we don't have time to unpack all that

---

**Thor:** What's a clique?

**Peter:** It's when a group of people hang out together

**Bucky:** Oh you mean like having friends?

---

**Peter:** *swinging out of nowhere to knock down a bad guy* Street Smarts!

---

**Natasha:** So Peter, how did you take that guy down on your own?

**Peter:** *in a thick Queens accent* I used the Bittenbinder method. When I saw the perp approaching, I chewed up a tab of Alka-Seltzer I carry with me at all times. This created a foaming-at-the-mouth appearance that made it look like I had rabies. Now I've thrown him off his rhythm.

**Tony:** You did what?

**Peter:** Then I reach into his jacket pocket where I had planted a gram of coke and I went, 'Whoa! What the fuck is this?' And he goes, 'That's not mine. I've never seen that before.'

**Steve:** Where did you get coke?

**Peter:** I go, 'Boo-hoo, it's in your jacket. You're doing two to ten and your kids are going into Social Services.' Now he's cryin'!

**Sam:** What's with the accent?

**Peter:** Then I grab a telephone book and I beat him on the torso with it. ‘Cause as any Chicago cop will tell ya, a phone book doesn’t leave bruises.

**Bucky:** ...

**Bucky:** I fucking love this kid

**Steve:** Strange the passage of time

---

**Tony:** But now, at the end of my life

---

**Tony:** *about Steve* Back then people would wake up and go “God, it’s the old times.”

---

*After the third day of the Avengers all being locked in the compound, they’re starting to go stir crazy*

**Bucky:** Everything is too fast now and it’s totally unreasonable

---

**Peter:** *every time he sees Dum-E* I smell a robot. Prove. Prove to me you’re not a robot.

**Dum-E:** *whirring and clicking in excitement*

**Tony:** *watching the pair from across the lab.* what is happening?

**Peter:** MJ said that walking around with me is like walking around with someone who’s running for mayor of nothing.

---

**Peter:** I think I'm becoming more like May every day.

**Peter:** I- I was watching that show "Access Hollywood" and one of the reporters said, "Up next, we've got an exclusive interview with Sandra Bullock's former husband, Jessie James." And out loud, I went, "Euch! This ought to be good."

**Peter:** That's pure May.

---

**Steve:** Lost in New York? The streets are numbered. How'd you get lost in New York?

---

**Bucky:** I don't look older I just look worse

---

**Peter:** I always thought that quicksand was going to be a much bigger problem than it turned out to be.

---

**Peter:** I'm one of the worst drivers I've ever seen

---

**Tony, to Pepper at the start of Infinity War:** I also don't want me to be doing what I'm doing.

---

**Tony, to Steve:** What was a murder investigation like in 1935?

---

**Bucky:** In terms of, like, instant relief, canceling plans is like heroin

---

**Peter:** I like reading the Daily Bugle because reading the Daily Bugle is like talking to someone who heard the news, and now they're trying to give you the gist.

---

**Tony:** I'll keep all my emotions right here...and then one day I'll die.

---

**Tony:** I don't drink. I used to drink and then I drank too much and I had to stop.

---

**Tony:** Here's a story I once heard about me. I guess I was 20 and I was at a party at someone's house and I had blacked out drinking, and someone came out of one of the rooms at this party holding like an old antique bottle with some liquid in it, and they said, "Hey, is this whiskey or perfume?" And apparently I grabbed it, drank all of it, and said, "It's perfume." And it was.
