[podfic] Chomp.

by [Red Does Podfics \(Red_Dragon\)](#)

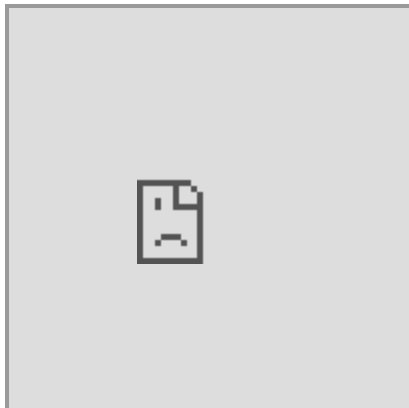

Summary

Wildrider is really good at biting things, apparently. It never occurred to him that no one else could bite through their own tongue. Why would he have to think about that?

But the other Stunticons are *so shocked* that he bit a chunk of his tongue off. This calls for experimentation. If he's not supposed to be able to bite through that but he can, what *else* can he bite through?

Podfic; 27 minutes 12 seconds long.
