Summary

Only once they were out of sight of the café did the man stop and take his arm away, giving Stede a sheepish little grin. “Looked like you needed rescuing back there,” he said, and then held out his free hand. “I’m Ed.”

Stede, still a little dumbfounded, grasped Ed’s hand in a weak shake. “Stede. Stede Bonnet. I’ll pay you back for the tea, I promise. I get paid next week.”

A modern AU where Ed saves Stede from embarrassment in a café, and then suddenly accidental sugar daddy happens. This is a prompt fill from the OFMD kink meme.

Chapter Notes

Author notes: tw for a brief mention of historic physical and verbal abuse in this chapter - if you want to skip it then don't read the paragraph that starts with ed saying "I was—god, I dunno, thirteen? Fourteen?". i will include a short description in the end notes for anyone who needs it.

Reader notes: this section is at the timestamp 24:10 - 25:00 if you would like to skip it.

further details for tw: ed tells stede that as a child, his dad saw him wearing a dress. his dad hit him and called him a homophobic slur.

is this what a luxury personal shopping experience is actually like? i have no idea, being as i am just a lowly peasant whose experience with luxury shopping is limited to touching some of the designer clothes in Liberty only to have a shop assistant immediately give me a look and then remove them from the rail..... lol
