Wake Me Up [vid]

by [fiercynn](#), [Scribe](#)

Summary

Wake me up when it's all over.

Notes

Made for Club Vivid 2016! Unlike our last vid, this is pretty much crack and has no tragic feelings whatsoever. Well, possibly one feeling. Maybe two.

Technically there is major character death in this vid, but they ALL GET BETTER, as well as suicidal imagery where none of it is actually suicidal in the canon (as in, not only do the characters live, but they were never intending to die), and some mild violence. Also, silliness.

Thanks so much to bessyboo, feedingonwind, marianas, and pearwaldorf for helping us source!
